***Program and Abstracts***

## ***Welcome!***

On behalf of the Program Committee, it gives me great pleasure to welcome colleagues and students, old and new, to the 35th Annual Conference of the International Association for the Philosophy of Sport hosted by the Faculty of Faculty of Sport and Faculty of Arts, University of Ljubljana, Slovenia.

I want to extend my appreciation to Andy Miah, Heather Reid and Heather Sheridan for their invaluable assistance in helping me and the other members of the Conference Committee, Carwyn Jones and Ivo Jirasek, and last year's Conference Committee Chair, Danny Rosenberg, prepare for the conference. I would also like to thank Milan Hosta, Jernej Pisk, Jozef Krizaj, and other members of the Site Organizing Committee for their dedicated work. We hope we have lived up to the high standards of excellent conferences in years past.

Once again, we hope you enjoy this year's conference. The venue is highly attractive, and with our scholarly exchanges, meeting new colleagues and catching up with old ones, you leave energized and satisfied. Should you have any questions or require assistance, please contact a member of the Site Organizing Committee or me.
